

Are your ancestors maori, pacific island or another nz ethnic minority?

Are you male aged between 18 - 40?
Could you be the match that helps save a life?

Jake (Polynesian descent) was diagnosed with Chronic Myeloid Leukaemia (CML) and is waiting for a Bone Marrow Transplant. You have the ability, the heart, and the choice to change lives!

“We need you to take that chance and register today!

Please donate blood and become an everyday HERO and join the NZ Bone Marrow Donor Registry and help Jake get back his Life.” Renee (mother)

“There are lots of children, like Jake, all over the world who are in need of a bone marrow transplant”

GIVE MARROW
GIVE LIFE.

Bone marrow grows back and can be donated without surgery.
