

## Sky Tower Stair Challenge

# Fundraising Ideas

### Sponsor a step

Get your friends and workmates to 'sponsor' \$1 per step. One flight of stairs is ten steps so why not challenge them to donate towards a whole flight!

### Office vs office

If your business has multiple locations around New Zealand, why not challenge each other to see which office can raise the most money and see who comes out on top!

### Employer-matched giving

Ask your boss if the company can match every dollar you raise for your climb.

### Organise a training session

Why not get your colleagues who aren't game enough to climb the whole 1,103 steps to donate to your team and join you for a training session? It's a great way to get the office fit while having fun!

### Organise activities at work

Raffles, bake sales, sausage sizzles and shared lunches are an ideal way to get those dollars in!

### Get digital

Visit the fundraising section on the Step Up website [www.stepupclimb.org.nz](http://www.stepupclimb.org.nz) for some useful tips to help promote your climb. Make sure you email everyone you know to ask for sponsorship alongside posting and tweeting about the great thing you're doing.

### Spread the word

Use the hashtag #stepupclimb on Twitter, Instagram and Facebook to share your fundraising and training journey.

### Challenge your co-workers

Challenge your co-workers or boss to sign up a team!
